School & Pre-school Photography Business for Sale Central North Island

A unique and rare opportunity to purchase this successful School and Pre-school photography company which has been established for over 20 years, whilst enjoying a six figure income.

With over 140 schools, kindys, private daycares and sports clubs already on their calendar, the company have a whole years advanced, repeat bookings, with 15 new bookings on a waitlist, still hoping to secure their date!

The office/admin side of the business is run from home in the Waikato Whilst the photographer is on location throughout the central north Island. The key to the longevity and huge success of this company is mainly due to the personal touches and great rapport established with their loyal customer base and the amazing photos which delight both customers and parents alike!

- Relatively untapped market therefore huge potential for growth and expansion
- Can be operated from anywhere
- Work to the school calendar year, so holidays are free to enjoy!
- Achieve a fantastic work/life balance whilst enjoying a six figure net income

Business Resources

- Currently run with four staff members (including the two owners)
- Applemac systems using photoshop and lightroom
- Sale includes everything needed to operate the business
- Knowledge of photography/photoshop/lightroom an advantage but not necessary
- On-going training/mentoring for up to six months offered by current owner
- Printing is currently outsourced to two companies in Auckland
