This business allows you to sell all the sweet products you can possible dream of and also be creative – Ice Cream/Decorated Ice Cream Cake/Smoothies/Milk Shake/Sundaes/ Soft Serve Cones PLUS Dessert Cake/Waffles/Hot Chocolate/Coffees and more...

Starting a business – for the community

This business is located in the booming satellite town among other popular commercial brands. The menu also includes hot dogs, fries, kids favorites etc. It has a very clean and tidy indoor seating area.

Staring a business – avoiding the stress

This is a franchised business. The franchisor provides a comprehensive training and ongoing support. No retail experience is necessary. It's well suited for an owner operator, easy to operate. High demand for product year round.

This is a perfect opportunity to be your own boss, and to have a greater independence, flexibility and work-life balance. The current owner has two businesses and is very reluctant to let this one go.
