### Business for Sale Description

Iconic Cafe The Running Duck for Sale Central Auckland

This extraordinary, profitable cafe has perfected simplification!

Most strong performing cafes include spacious, extensively equipped premises, broad menus, plenty of seating and heaps of staff which is often a lot for one person to manage on a daily basis- But not all cafes have to be like this to be successful.

And this remarkable cafe is a welcome exception!

#### It includes:

- Compact premises
- Fewer seats
- Low staff numbers
- Very straightforward operating processes

#### It also has:

- An amazing location
- An inviting decor
- Clear operating systems
- Tasty food and great coffee
- Friendly, caring service
- Strong sales
- An established social media presence

And, not surprisingly, it has strong sales, significant profits and is relatively easy to manage.

Right from the start, the vendor's intention was to set up and operate this delightful cafe as simply and as profitably as possible!

Having put the time, effort and expense into achieving these goals, it's now time to bring this outstanding opportunity to the market.
