Japanese Restaurant - Northshore Location

This restaurant is a must to see. Great atmosphere, a premise bursting with great presentation, and super road frontage near beach location. Great google reviews from very satisfied and valued customers. Great reputation here.

Seating for 40 patrons and with a liquor license in place.

Solid weekly sales here and full accounts are available. The current owner of 13 years advise us this is a very profitable business for them returning circa $ 200,000 a year

I would love the opportunity to show you through this great Japanese-style food business.
