Business for Sale Description

Pure Water Supplies Business for Sale Waimauku
Auckland

The Vendors have spent 4 years and mega \$\$\$ to obtain all the necessary consents and registration. Their unique aquifer supplies some of the highest naturally sourced pH water in the world. Their current extraction consent runs until 2043. Bulk water supplies for the local seasonal market may generate \$600+K per year. Future potential revenue streams of bulk or bottled water for domestic and export markets are incalculable. The infrastructure is in place, ready for an entrepreneurial new owner to take this unique opportunity to the next level.

Note: The business can only be sold in conjunction with the freehold property.
