Specialist Construction Contracting Business - For Sale

Business for Sale Description

Specialist Construction Contracting Business for Sale Central Otago

Just listed - a well established building contractor supplying and installing specialised construction materials.

Over 15 years of operation with consistent year on year growth and largely buffered from the impact of Covid-19 due to the diversity of projects and strong demand for their products and services.

The business is well managed with established systems and a qualified team in place totally capable of operating the business under new ownership.

This highly profitable business generates an annual turnover in excess of \$4.7m with a corresponding average PEBITDA of \$1.15m per annum.
