**Booming manufacturing and joinery business!**

### Business for Sale Description

Cabinet and Joinery Manufacturing Business for Sale Nelson

The timing could hardly be better to be part of the booming building industry - here's a thriving manufacturing joinery and cabinet making business that offers a unique combination of diversification plus unique merchant-supply lines, and substantial growth upside.

Established 36 years ago the business operates across Nelson Marlborough operating from a Nelson factory with leading-edge machinery, this is a ready-made opportunity for a motivated purchaser or investor to take advantage of the growth potential - This is a unique manufacturer, a key point of difference is that it deals directly with businesses, rather than individual retail customers. The company supplies merchants with a variety of joinery products.

If you are ready to make the move into the manufacturing business, now is the time. Enjoying a high turnover and excellent profits few opportunities like this are available.
