Franchise for Sale Description

Media Distribution Franchise for Sale Bay of Plenty

On offer is a media distribution business operating profitably even during level 4 lockdown.

A risk-averse, home-based business that would suit a couple does not entail sales, marketing, lease, bad debts, competition, or stocks.

This market-leading franchisor reports 57% of their revenue from print media, an increase in readership of 3.6% last year

Unlike most franchises, it has no ongoing fees, has great IT & Admin support. The business accounts of the current franchisee show revenue paid by the franchisor of approximately \$15.5k+ per week X 52 weeks annually.

As with most franchise agreements, the price reflects no end-of-term renewal rights; hence, you amortise the business's value every year to zero at the end of the term.

You will need to be living in the Rotorua area or be ready to relocate and operate within the performance norms stipulated by the franchisor.

You will need a hands-on approach, an eye for detail, people management skills, manage periodical staff recruitment/training, weekly payroll filing GST and PAYEE.

You will take over an existing team of the experienced part-time delivery staff, work 3-4 early hours, 5-7 days a week and get the balance of a 2+ 5 years franchise agreement effective 1st April 2021.

Move quickly – this rare opportunity will sell fast /or have multiple buyer situations.
