Business for Sale Description

U-Sell Park and Sell Yards Business for Sale Wellington

U-Sell was established in 2008 and upon the proven success of its pilot operations has already franchised throughout Auckland, Hamilton and Tauranga. New start-up opportunities are now being offered around the country!

The U-Sell business is similar to a traditional used car sales yard, except that the majority of vehicles are sold on consignment, so you don't have capital tied up in stock. This model enables customers to sell their vehicle/s on the yard, rather than a virtual car yard such as 'TradeMe'.

This is a terrific opportunity to own your own business with the guidance, support and back-up of a national brand.

Most successful franchisees are those who have entered an industry because they have a passion for it and a commitment to professional development, so if you've got a passion for cars, this could be the ideal opportunity for you.

U-Sell value a proactive attitude and a willingness to learn the business and develop the skills necessary to succeed. Full training and on-going support are provided giving you the best platform for success.
