Business for Sale Description

Manufacturing and Fabrication Business for Sale
Auckland

50 years in business and still growing.

Great semi-managed business, outstanding reputation in its industry with considerable opportunity from which a new owner can benefit.

Returns of 30%+ on your investment.

This company is highly profitable, trade and retail clients. with forward orders and very strong margins due to its business process simplicities.

There are a number of facets to the business and the core product could be expanded to manufacture similar types of products where there is considerable demand or look to a niche product line within the industry.

With year-on-year growth from a small and competent team, it provides the new owner of the business security of continuity.

- Top 3 industry player in NZ
- Established for 50 years
- Recognised brand
- Multiple revenue streams
- Product expansion and growth opportunities

Price \$2,700,00.00 including all inventory, assets and work in progress.
