## Café with Coffee Roasting. 120kg Beans Per Week!

### Business for Sale Description

Cafe with Coffee Roasting Business for Sale  
Auckland

Delighted to bring you another cafe with coffee roasting and this one is a doozy! There is huge untapped potential here but the owners have done a great job establishing a cool little brand that has been absolutely pumping during Level 3! This business is set up to be super easy to run. All systems are in place and the owners only work part time in it. They are also keen to offer full training and support to the new owner. For sale is the café, the roasting business, all (high quality) equipment including 7 coffee machines and grinders, and all associated Intellectual Property and 'know-how'. The café pumps along very nicely doing around \$10k per week in sales and with around 30kg to 35kg of coffee. The company has some wholesale customers (tied in to machine loan agreements). Their major customer also has a 3 year supply contract to give you real peace of mind!!

There are so many avenues you could take with this one. Expand the café operations, expand the brand and open more cafes (licenses or franchise, perhaps?). Increase the products offered. Grow the wholesale side of the business (the market is HUGE). Grow the retail and online side of the business.

### BUSINESS HIGHLIGHTS

- 120kg green beans roasted each week
- Well-established brand
- Super strong trade during L3
- Strong wholesale customers and a strong supply agreement in place
- Quality equipment
- Great Intellectual Property
- Over \$200,000 in annualised profits

This is a simple business to operate with huge potential to expand. Based on trading for Q1 of this year, profit will be over \$225,000 and there is some strong certainty with that contract in place. That particular customer is also in growth mode so expect that contract to be worth even more!

The hard yards have been done here. Grab this incredibly rare opportunity to seize control of your life and build a brand you can be proud of.

Don't miss this one. Asking \$880,000 plus stock
