Business for Sale Description

Hair Salon Business for Sale Auckland

A fabulous salon just waiting for a stylist to take the reins. A long-standing salon with a loyal clientele, the current owner has had the salon since 2003.

Boutique edgy fitout with 6 styling stations and 2 washbasins and still plenty of room to grow. Previously the owner lived at the back of the salon and with some alterations this could be possible again reducing living costs. Otherwise, there is space to have a beauty room or more styling stations.

2021 cash surplus of \$125,000 to a working owner. If you are an experienced stylist looking for a salon with a good reputation, plenty of parking, great central location, potential living accommodation, and a large established client base then look no further!

Price: 91,000 plus stock .
