### Business for Sale Description

Automotive Services Business for Sale Bay of Plenty

This top-performing panel & paint business, showing very strong turnover and net profit, is now for sale.

- Current ownership of over 21 years, with the company history going back almost 50 years.
- Multiple revenue streams.
- Approved service provider to over 10 national companies.
- Great staff in place.
- Further expansion opportunities ahead.
- Turnover of over \$2.7million (incl gst) returned the current two working owners a net profit of over \$755,000 in the 2021 financial year.
- Limited competition in the area, so the work available is increasing all the time.
- A good combination of private/commercial and corporate work provides the business with consistent work with no downtime periods during the year.
- Asking price includes close to \$1million in assets and stock

The current owners are wanting to semi-retire, so are prepared to offer a comprehensive handover period - assisting with business relationships with national companies, and providing some continued part-time work. Due to the length of ownership, this really is a one-off opportunity for a new owner to get into the industry and further expand the turnover. Previous experience in this industry would be an advantage but not required. If this sounds like you call me now.
