Near New 12 Unit Motel Great Location

Business for Sale Description

Motel for Sale Kaikoura

This near new 12-unit motel is in a prime location very close to the town centre. The complex is aimed at the top end of the market, having an excellent mix of units. A good number of the units have spa baths, a popular attraction for guests and commanding a premium tariff. All units are fitted out to the most modern and upmarket standard, including all having air conditioning.

The site is generous at 1,600 sqm, providing a spacious environment. This, combined with an excellent aspect makes this motel most appealing from the street and of course appealing to stay in. Capping off the package is a nice 3-bedroom residence, with internal access double garage and master bedroom with ensuite with spa bath.

The motel opened in late September 2019 and traded quite strongly from a standing start.

We believe that at the price being offered is very fair and there should be plenty of upside in this for an astute operator.
