Franchise for Sale Description

Cosmetic and Aesthetics Franchise for Sale Bay of Plenty, Auckland, Coromandel, Taupo, Hawkes Bay

Opportunity

HB Laser Skin Clinics offers a unique and lucrative opportunity for franchisees looking to own and operate their own beauty business in the cosmetic and aesthetics industry. Offering a range of services from laser tattoo removal to skin treatments, HB Laser Skin Clinics uses only the most effective, cutting-edge non-surgical laser technology. Currently operating across 6 different locations, the HB Laser Skin Clinics business model is proven, after being refined over years of industry experience. Franchisees can be confident in the profitable potential of their large territories, while operating under the guidance of beauty industry veterans.

Full training and access to the latest Ultraformer III non-surgical face and body lifting and tightening, Milesman hair removal and Cosjet ATR laser technology which offers tattoo removal and other specialist laser facial treatments. HB Laser Skin Clinics is the ideal franchise opportunity for those looking to take the next step in their beauty career and make their dreams of skin clinic ownership come true.
