## Mobile Occupational Health Monitoring, Exciting New Franchise Opportunity

### Business for Sale Description

Mobile Occupational Health Monitoring Business for Sale Canterbury

Peoplecare is a mobile occupational annual health monitoring service that visits workplaces and sites, benefitting employers with its convenience minimised disruption to employees time. A new franchisee in the Canterbury region is sought, with a passion for workplace health and safety and ability to relate to people at all levels. It will be necessary for franchisees to discuss healthcare outcomes with individual employees.

### Looking After Employees

Many businesses recognise that their staff are their most important asset. Peoplecare offers the opportunity for an employer to add more value than just providing a health and safety system, hazard assessment and personal protective equipment. Measuring and ongoing monitoring of critical health measures can help detect and prevent further harm to employee's health.

### Health checks Peoplecare undertake include:

- Hearing tests
- Lung function tests
- Vision screening
- Screening for hand/arm vibration syndrome

### Business Highlights

- Only provider of its type, fully purpose-built mobile clinic
- Concept has proved successful elsewhere, including overseas
- Full training to new franchisee is provided (technician level)
- New franchisee required to be trained to a technician level
- Exciting and growing industry sector

This is an outstanding opportunity for someone wanting to be self-employed in an exciting and growing industry sector.
