### Business for Sale Description

Successful Hair Salon Business for Sale Matamata Piako

Well established, financially stable, iconic, hairdressing business – owner looking to retire after multiple decades of hairdressing success - opening the door of opportunity for a new owner to step into an already successful business which has both an existing loyal and long-term repeat customer base and great staff. The current owner, whose age and health have dictated retirement, is of the opinion that someone with the requisite passion and youthful enthusiasm combined with their own business vision could, if they so desired, take this business to a whole new level by growing the existing customer base with a change in business strategy and with expansion of its current limited trading hours etc. What better place to start the journey of a successful career than to start by acquiring an already well established, financially successful business which has: -

- Consistent year-on-year sales (despite the pandemic)
- Consistent year-on-year profitability (E.B.P.I.T.D.)
- A well- known and recognised iconic brand
- A well-positioned central location with good foot traffic
- Great landlord and an existing attractive long-term lease
- Great loyal and dedicated staff
- Opportunity to grow the business from the outset
- A return on investment of between 80 % to 90 % per annum

Imagine what you could bring to this business in terms of youthful passion and vision for real growth.
