Business for Sale Description

Global Technology Business Opportunity for Sale
Auckland City

- Global Technology Business.
- Fully Managed, only 3 hours per week required.
- Perfect for an investor owner.

We are expanding globally. Our product will be used globally, by customers and businesses globally, we are cutting edge. **No tech experience necessary.**

Our technology business is ground breaking.

The value of the business has the potential to increase significantly.

You will be convinced on the magnitude of the businesses potential growth and value in a single 1 hour video presentation, where we can present everything.

The business is fully managed for you by our Management team. With an executive team including our MD investment banker and IT Director and Board of Directors with significant experience. With only 3 minimal hours per week required.

The business is investment ready to expand its capital base. The company has the potential to be a IPO, or buy out from a global entity. Our technology can be licensed in all countries globally.

The purchase price is being invested in the expansion of the business, controlled and managed by the purchaser and MD.

In return, we have a product and service and business that you will own that can reach a market of millions, that a vast number of people will use, the market for our product is proven.

In our first meeting you will be convinced, the business is outstanding. A NDA will be required to sign, prior to receiving a detailed package on the business, which we will present on a video call presentation.

You will be a executive decision maker, with a global mindset. This business opportunity should not be missed.

Your background maybe in finance, investment banking, IT or senior management or entrepreneurial and unblemished, credibility is critical.

No criminal history or any previous bankruptcy to proceed. **Please send your full name and contact telephone number.**

Business Resources

With an executive team of 3 to assist you and 8 board members, with high level experience.
