Business for Sale Description

Beautiful Restaurant for Sale Auckland

In my time as a business broker selling hospitality businesses this would be one of the best setup restaurants that I have seen. There is a spacious walk in chiller, extensive kitchen with excellent equipment, separate bar and beautifully maintained front of house.

The new owner should have very little to do. Step in day one and take sales. Which is what the owner does here, the chefs run the kitchen and the owner runs the front of the house.

Short evening operating hours makes this restaurant easy to manage but with a 7 day liquor license from 9am to midnight there is plenty of opportunity for new owners.

The business achieves sales of around \$11,000 per week plus GST and all numbers we are advised can be verified through their Xero accounting software. The business has proven itself to be resilient through Covid with an uptick in takeaway sales.

Price: \$150,000 plus stock.
