### Business for Sale Description

29 Secure Storage Units and a well known Moving Business Business for Sale Hawkes Bay

Two businesses operated together, now for sale. One is an easy to run Furniture Removals (and at times Freight Transport business) while the other is a Storage Business with 29 owned storage units on leased council land.

### Business Resources

Both businesses are owner - operated (by the same owner) and offer a wonderful work / business lifestyle scenario. Besides the working owner there are three permanent staff as well as casual staff and when required. The owner's wife assists with the paperwork from their home office.

The Removals business comprises a well maintained fleet of vehicles, a trailer and other small gear required for the removals business, while the Storage business owns the buildings on the leased council land.

A great opportunity as add-ons to an existing business, or for someone with people skills, to own and continue to grow these easy to run business located in Hawkes Bay.

Reputation for high-quality service, reliability, and professionalism has ensured a large customer base with regular work from Government Agencies. The hard work has been done by the seller, so simply roll up your sleeves and continue with the growth of these two well oiled machines. You can turn them into one great business, its up to you.

A Confidentiality Agreement will be required before further information is provided.
