### Abercrombie Engraving & The Engraving Shop. Work From Home

#### Business for Sale Description

Engraving Business for Sale Auckland

Abercrombie Engraving, better known as The Engraving Shop offers a wide range of engraving services and products. Established over 20 years ago, the vendor has experienced many opportunities to celebrate success, reward achievement and acknowledge milestones and they are ready to pass on the reigns to a motivated and ambitious entrepreneur.

Currently run as a lifestyle business, the vendor is working 30 – 35 hours per week from home which increases to 40-45 hours per week during peak season. The business serves its repeat customers from Auckland and across the country. Part time staff are taken on through busy season but run by the owner majority of the year.

The buyer will have an abundance of potential to grow this business and reap the rewards. Business comes with automated software's and equipment to simplify the process and allow the buyer to carry on.

No experience is required as a comprehensive Vendor assistance will be provided with the option to keep the Vendor on as a part timer.

#### Business Highlights

- 3 years of beautiful bank friendly financials
- Lifestyle business with potential for future growth
- Work from home with minimal overheads
- Comes with Corel Draw and wide range of equipment
- Current owners keen to provide a comprehensive handover period
- You decide on having staff or doing it alone
- Full training and ongoing assistance provided to incoming owner
