Business for Sale Description

Pet Grooming Salon Business for Sale Auckland

This dog grooming business has been at the forefront of the Auckland market for many years. It delivers a good return to the owner.

There's decades of experience among the current team and generations of customers demonstrate trust and confidence that comes from consistently high standards that are based on a commitment to superior professional service.

- The brand is highly regarded and a new owner can expect it to form a stable base for business growth.
- Experienced, stable staff are proud of their expertise and commit to the superior marketplace offer that creates and supports customer loyalty.
- The premises have been evolved specifically to create an optimal environment for grooming and animal handling.
- All equipment is near new, well maintained and operational with little in the way of capital expenditure anticipated in the medium term.

While the business relies largely on word-of-mouth referral it maintains an attractive and informative website. The growing customer database runs to about 3,500 and there is a significant opportunity to further build frequency and referral with a simple digital database web comms programme.
