Iconic Country Heritage Cafe for Sale Auckland

\$185,000 ...to own a destination heritage cafe that caters to corporate events, private parties and a great dining venue – fully managed or get involved!

“...worth 25-minute trip from the city. We loved sitting on the deck having brunch while the little ones entertained themselves in the playground. We’ll be back.” Quoted by an article in NZ Herald

Tucked away, North of the city, this is a great café so established in its neighbourhood, it is an integral part of the local community, heritage and history. Loved and jealously guarded by the locals and enjoyed by the Aucklanders travelled to the area for events or leisure weekend brunches, it has become a local icon.

It is not about the owner, the business is almost entirely run under a dedicated team of staff. Fully licensed café, with a great outdoor bar and a woodfire pizza kitchen, al fresco sittings under canopy of the forest and even a garden with playground for the young ones, this café has catered for corporate events, private themed parties to children’s birthday parties, all the same. It has hosted annual bikers’ event, a pit-stop for local marathon supporters, a destination in itself.

Listed among TOP 10 Best Country cafes or restaurants by Concrete Playground in 2014, and in many other journals, this café has accumulated it’s fair share of accolades and praises among patrons.

Current owner has been the custodian for last 13 years, and it’s time for them to pass it on to the next capable operator to realise its full potential while they are going to focus on their other business portfolios.
