Business for Sale Description

SaaS Services Business for Sale Auckland

This SaaS business supports the property and asset management industry across the world.

Mature software, offering customisation and branding flexibility to clients, well-designed web and phone applications, coupled with a stable client base; this opportunity offers the stability of revenues along with the enormous potential to grow in the existing markets it is serving.

Posted over \$190k EBITDA in 2020 and 2021

The platform is built with enormous potential and scope that could be further developed, along with additional deployment into new markets.

Some of the attributes are:

- Relocatable: Currently NZ based, could be taken anywhere in the world
- Straightforward and comprehensive transition offered to the new owner
- Long term stable client base
- Strong, well established, and stable product
- An opportunity to build off success, into a market ripe for the picking

LINK is seeking Expressions of Interest from all people and enterprises with experience in running and growing SaaS businesses.
