Unique, Innovative and Profitable

Business for Sale Description

Design and Distribution Business for Sale Auckland

This award-winning and long-standing Kiwi business with a vertically integrated solution set could be considered unique, offering its clients an end-to-end tailored solution for the commercial furniture market.

This business conceptualises innovative solutions for modern cohesive interior environments and then works to design, source, manufacture, and distribute the solution to the client. The business is quite unique and has a very high barrier to entry.

The business is run day to day by a working owner who performs account management and sales functions as well as general management.

The business typically has 5-10 total staff at any point who are skilled and highly capable of delivering bespoke solutions to the business' clients.

The business owner is prepared to continue in the business for an extended handover and transition by negotiation to help facilitate a smooth changeover for an incoming owner.

The business is looking for someone with a passion for innovation, sales, and marketing who may also have a background in textiles or manufacturing.

Asking Price: \$650,000 + GST (if any)
