Grow Iconic Business - NZFernz

Business for Sale Description

Wholesale Horticulture Business for Sale Westport

A well established business being sold as Going Concern that includes land, buildings, stock, plant and strong client base.

Landscaping with New Zealand and exotic ferns is in vogue.

A motivated new owner employing additional marketing can multiply the volume of business. Excellent stock that includes over 20,000 tree ferns and ground ferns. Great entry opportunity into exciting industry.

The vendor will consider offers over \$750,000 plus GST if applicable.
