Business for Sale Description

Architectural Steel & Metal Art Business for Sale
Wanaka Otago

This business offers dynamic creation and solution requests daily, maximising your applied creativity and cleverness!

If you want to live in the stunning Central Otago, and create, fix or manufacture things in steel then this is the opportunity to explore.

LOTS OF OPTIONS:

Either own and manage the business with an experienced team, get involved yourself, or add it onto your current operation!

With an emphasis on creative work they currently cover:

- Niche engineering repairs
- Custom architectural steel projects
- Steel artwork and more.

There is flexibility to segment operational elements such as architectural steel, repairs, steel art, or to purchase all of these together.

- Well established
- Good profits and work flow
- Clients New Zealand wide
- Both bespoke art and manufactured work.
- Lots of room for growth!

Business Resources

This business is well set-up: Streamlined processes with job tracking and financial software, strong branding,

website, newsletters and social media, excellent location and lease, experienced staff, great relationships with an extensive list of suppliers, ample stock, inventory and equipment, 25 years of longevity and excellent goodwill.

Owners happy to help transition with negotiable terms.

Contact the Owner to day to find out more and if this opportunity suits you.
