

New Opportunities Business for Sale Northland

NORTHLAND RETURN ON INVESTMENT BETWEEN 40%-50% p.a

BUSINESS OPPORTUNITY UNLIKE ANYTHING SIMILAR CURRENTLY ON THE MARKET.

Long established business (20 + years) - a turnover of in excess of \$7 million p.a. ; historical annual sales growth in excess of \$1 million per annum ; demonstrating a financially successful, five day a week, business looking to continue to grow and to dominate its marketplace.

Would suit a person with superior managerial and marketing skills and sufficient business experience to run and operate a multi-million-dollar business which is already in growth phase providing the new owner with a lifetime opportunity and pathway to achieve their financial dreams with a relatively low risk investment!

The business services a diverse range of customers, including the agriculture sector, providing a wide range of motorised products and on-going servicing thereof and has a team of excellent staff including a number of mechanical and technical staff who sell and service a range of new and second-hand dealership brands.

The reality is, businesses like this rarely come onto the market. Equally, it is just as rare to find someone with that required youthful enthusiasm and passion capable of recognising such a life changing opportunity and being able to capitalise upon same in a timely fashion. Is that person possibly you?

Genuine reasons for selling. Once in a lifetime opportunity to make your dreams come true!
