Business for Sale Description

Cafe for Sale Auckland

The Trust owns a large building opposite Auckland Hospital with a ready to go Cafe' and Kitchen and a huge bunch of hungry construction workers and staff have just moved in and want feeding with pies and coffee and sandwiches.

I will do a deal with a good enthusiastic operator as I want you right now to keep the tenants happy.

Catering opportunities also as Building is filling up with tenants who have meetings and want feeding.

Business Resources

Most equipment & furniture - no coffee machine.
