### Business for Sale Description

Cafe Business for Sale Stoke

The hard work has been done in establishing this lovely wholefood retail store and cafe in central Stoke. Unfortunately, the owners circumstances have changed and the business is now seriously for sale. This easily run business with excellent staff stocks a wide selection of vegetarian, gluten-free, and organic light meals. As well as cabinet food the cafe supplies Kush coffee, Heke Herbal teas, real fruit ice cream, smoothies, and more. With great street exposure, the business fronts Main Road Stoke and there is the added bonus of access from the Strawbridge Square carpark. With well-documented business processes and the vendors willing to help the new owner find their feet this is an easy transition into self-employment.

Business only for sale \$140,000, including stock, plus GST (if any)
