Business for Sale Description

Boat Design and Manufacturing Business for Sale
Whanganui

Take advantage of the many years of very strong branding, and manufacturing development that have gone into creating these sought-after heavy duty off-shore machines that are arguably the best on the market today.

Since 1984, this marine manufacturing business has become renowned worldwide as a top Aluminium Boat manufacturer!

The team produce boats for the private sector, commercial sector and Govt departments, both in New Zealand and offshore.

This has been a business driven by passion to provide the highest quality, long lasting, high performing Aluminium vessels available.

Attributes:

- Outstanding performance and proven designs
- Extensive IP
- Highly regarded cult followed brand.
- 350+ boats sold to date from 5.8M to 13M.
- Wide range of models
- Plant and equipment to allow on-going production.
- Supportive vendor will ensure a smooth transition.
- Massive opportunities for further growth.

Make your passion for boating your future income stream.

Expressions of interest, genuine enquiries only please. Would consider property trade.
