Niche Manufacturing - Renovation & High End New Builds - Mount Maunganui

This business has been operating for over 20 years and supplies a specialist manufactured product to the building industry.

The product is manufactured by a small team in a factory on the outskirts of Mt Maunganui and sub-contractors are engaged to install the finished product. This B2B niche operation is a preferred supplier to several well-known builders of High End properties in the Bay of Plenty as well as supplying product for the housing renovation market. The housing renovation market is seeing a resurgence in the current environment.

The current owner attends to general business management, pricing and customer interaction.

Business Highlights

- Niche product
- Supplying new builds and renovation markets
- Business to Business customer base
- Low Overheads

This is a great opportunity and will suit someone with sales, marketing and customer relationship experience. Knowledge of the building industry would be an advantage but not necessary. This business could also be an ideal bolt-on to an existing manufacturing business. An extended period of assistance will be available post settlement to ensure a smooth transition.

Net Surplus \$186,533 EBPITD (Financial year ended 31 March 2024)
