Business for Sale Description

IT Services Business for Sale Auckland

Working within a range of web technologies, this skilled team of strategists, designers, and developers create high end digital products and form long term supportive relationships with their clients.

Specialists in PHP, Laravel and React plus 4 content management systems, their core work focuses on streamlining traditional business processes through the creation of web applications, data services/API's, integration layers and commerce solutions with a human centric focus.

With a strong client base and solid reputation, this business offers a multitude of benefits:

- Full service web agency
- Operating for over 10 years
- Long term relationships with customers
- Engaged in house talent
- Profitable
- Poised for growth

An excellent opportunity for a new owner wishing to enter the web industry with confidence or an existing similar business wanting to increase their customer portfolio along with a skilled team.
