Business for Sale Description

Live Video Streaming Business for Sale Hamilton

This business is a Live Stream service where you go to events, set up and live stream online for the event holder. It is a professional setup which provides high quality coverage that is viewable worldwide, on PC's, Phones and Smart TV's.

The sale includes everything you need, including contracts, equipment and software. It has been operating for 10 years, and has considerable goodwill, excellent track record and great respect with plenty of testimonials.

We have enough pencilled in bookings so that you could earn half the purchase price in the next 12 months by just working a few weekends.
