## Business for Sale Description

Maintenance Services Business for Sale  
Whangarei, flexible

**This simple, high growth maintenance business has year on year profit growth of 33%.**

This consistent growth should indicate to astute purchasers the robustness of this business model, with recurring revenue in the business to business market and business to household market. Should the economy slow the service remains as an essential offering and a stable earner.

With great systems and processes in place, making for an easy transition for incoming owners. Or a great bolt on business to an existing maintenance business. It can be run as one owner or a husband & wife team, the outgoing owner is a top man and will offer a transition to suit the purchaser.

## Business Highlights

- Robust Profit & Loss during Covid
- Solid pipeline of forward work
- The dream handover, with ongoing support
- Loyal, hard working team keen to stay on
- High margin work / limited competitors
- Three years of robust financial accounts available

Great business, great profits and great information for due diligence. Call Mike Ponsonby on (021)450-049 or Keppel Brown on (021)248-7878 to discuss what a good deal looks like.
