High Profit Mobile Catering Business

Exclusive contracts, staff in place, \$244k forward bookings, growth potential.

This is a high-end mobile catering business.

- * Staff in place for the summer.
- * High demand and capacity to increase earnings.
- * Multiple revenue streams and forward bookings of over \$244,000.
- * Exclusive agreements in place with numerous event locations and vineyards.
- * Custom-built, top-end, visually appealing, mobile commercial kitchen,
- * Full client history and event planning software package.
- * The business has very low overheads with minimal fixed costs and no leases or rent.
- * Choose which months you want to work.

This business would suit a Creative Chef or extension to an established Restaurant or Event Business. The current owner is moving overseas in 2024 and will provide a high level of support and prolonged handover to ensure the continued success of the business and sought-after brand.
