

# Design Engineering Business for Sale Auckland

## Design Engineering Business. Investment Potential.

Design Engineering Business. Investment Potential.

Achieved turnover of \$1 million plus with an adjusted EBPITDA in excess of \$350,000

This business specialises in commercial and industrial property development along with residential and recreational construction projects.

It is highly respected and influential in its sector and has been providing expert services for over 30 years.

Clients include a number of market-leading, blue-chip companies, with some relationships spanning over many years.

- \* Significant barriers to entry for competitors are present.
- \* Genuine retirement sale.
- \* Many repeat clients,
- \* Great reputation.
- \* Great systems & staff in place.
- \* Gross revenue of circa \$1 million
- \* Profits exceeding \$350,000.

The market position of this business is very strong with significant barriers to entry for competitors present. Customer demand could support a further scaling up of operations and opportunities clearly exist for a new owner to grow the business further.

Benefits from a long-standing and highly experienced team and the current owner is happy to stay on for a long period of time.

Suitable for a hands-on owner operator or hands-off investor (subject to terms and conditions agreed with the current owner is staying on).

The Purchase Price is \$600,000

Location: **Auckland**

Asking: **\$600,000**

Type: **Manufacturing**
