### Business for Sale Description

Honey Production Business for Sale New Plymouth

**On the market for the first time since its inception is the honey business Bees-R-Us.**

The owners are looking to retire from the business which can be relocated to anywhere in Taranaki or even NZ. The owners have been developing the business for close to 20 years.

The business comes with all the equipment to not only create the honey with hundreds of hives but also all the extraction and packing equipment needed to run a successful wholesale and/or retail business.

The business has good stocks of honey that can be used to ensure a seamless transition to a new owner.
