Business for Sale Description

Independent Truck Workshop Business for Sale
Nelson

A longstanding Nelson business with a reputation for their great service. The current owners have owned and operated the business since 2012, they are now ready to take life a bit easier and pass the business onto someone to take it to the next level.

The business has shown a steady increase in income and profitability, the owners have a documented business plan to share with the new owner on how to take the business further.

Operating from a purpose built premises a new lease will be negotiated. Built in 2018 it includes a five-bay fully equipped workshop (with a ventilated 12 metre pit), offices, and parts store plus staff facilities. The location is ideal being in the Stoke industrial area close to the clients and positioned between Nelson and Richmond with a large yard for customer vehicles. With four fully qualified Diesel Technicians on the staff and a workshop Co-Ordinator the clients are well serviced.

The owners are committed to helping a new owner get established.
