

Waterblasting Business opportunity Franchise for Sale Rotorua - Taupo

Ready to become a Pro and launch your own business? want to stop working for a wage and start making some real money?

Rotorua & Taupō Franchise Opportunity - Exclusive Dual Territory | \$40,000 Entry

Ready to build a scalable business with the backing of an established national brand?

This is a greenfield franchise opportunity covering the Rotorua and Taupō regions — two strong Bay of Plenty / Central North Island markets with consistent residential and commercial demand.

For just \$40,000, you secure exclusive rights to both territories and gain access to a proven exterior cleaning and waterblasting business model. You'll receive full training, operational systems, marketing support, and ongoing guidance — allowing you to launch with structure and confidence from day one.

Why this opportunity stands out:

1. Exclusive Rotorua & Taupō territory
2. Established national brand and support network
3. Proven systems and comprehensive training
4. Low-overhead, mobile service model
5. Strong demand from residential, property management, and light commercial sectors
6. Scalable to multiple vans and staff

Both Rotorua and Taupō have solid property markets, active tourism infrastructure, and ongoing development — creating reliable demand for exterior cleaning and maintenance services year-round.

This opportunity suits someone ready to move beyond earning wages and start building a long-term, saleable asset with real growth potential.

Opportunities covering two high-potential regions at this entry price are rare.

Enquire today to receive the full information pack and next steps.
