Price Adjustment on Hydraulic Trailer, Stock and Hoses

Hydraulic Trailer, Hydraulic stock and hoses selling now for \$100,000 + GST if any.

There is also quite a few extras available that can be negotiated, this was a great business when operating and can be operated anywhere in NZ, it is fully mobile and can run off grid.

The vendors will also sell other assets and fittings separately.

Extras available include , cut of saws, crimpers, inverter camera, 2-inch French press, spare crimper & cutters and much more. A full list will be available on request. The client list is also available to the successful buyer, and they come from businesses with-in forestry, farming & industrial areas.

An amazing opportunity awaits the successful buyer. A two-day course in Hydraulics is all it takes to get cracking and if you are mechanically minded there is a lot more opportunity for expansion. That skill along with the Hydraulic work could potentially double your income.
