

# Cafe for Sale New Plymouth

## Inner City Cafe with a wonderful outlook over the Huatoki Plaza

Opened in 2016, right in the heart of the New Plymouth CBD, community-minded Cafe Green Door offers fresh tasty food and organic locally roasted coffee.

Their menu and deli options cater to all dietary needs, including a full range of gluten-free sweet treats, keto, vegan and even fodmap-friendly options. Their gluten-free range is produced and served from dedicated areas of the kitchen including separate fryers for all meats and plant-based items. They also have a good range of standard cafe fare. Having this wide-ranging array of options has ensured them a strong and loyal client base making it easy for new owners to come into the business.

The cafe is situated in a well-ventilated, 66-seater dining room including a huge outdoor deck overlooking the Huatoki river. This allows for great opportunities to hold private functions and there is room to expand this part of the business especially as we head into an era of no covid restrictions.

The Cafe is wheelchair-accessible and kid-friendly.

With consistent sales and a great location, this is an excellent cafe that would be well suited for a working couple or business partners.

Call today for a time to view.
