MYGuy. Property Maintenance Franchise. Territories Available

There has never been a better time to build a solid, stable and recession resistant business in the property maintenance and service industry.

The MYGuy franchise business is simple but incredibly effective and profitable. MYGuy is at the forefront of this exciting industry - here is an opportunity to own your own property maintenance business and take control of your earnings and lifestyle.

There is high demand in the market for MYGuy services. The tried and tested marketing material and techniques enable every franchisee to find customers from day one and continue to bring in a steady stream of customers and work. The MYGuy 24/7 call centre ensures no valuable lead is ever missed.

MYGuy franchisees own their own maintenance business - but have the benefit of being part of a reputable and quality brand that has a busy pipeline of work.

Franchisee's receive ongoing training and extensive support from the MYGuy team. In addition, the MYGuy marketing machine and administration team are working hard in the background to generate leads and commercial opportunities for franchisee's.

To be a successful franchisee - you need to be skilled in DIY, possess a desire to succeed and earn a great income, have good time management & communication skills, and be professional, energetic and motivated.
