

Industrial Manufacturing Business for Sale Auckland

Premier Engineering & Manufacturing Business | \$1.7M in Sales Revenue!

Premier Engineering & Manufacturing Business | \$1.7M in Sales Revenue!

Are you looking for a transformative investment opportunity?

This established engineering and manufacturing business is on the market, providing proven success, profitability, and a robust position in the industry. It is renowned for its high-quality products, professional expertise, and cutting-edge solutions.

With a distinguished history spanning over 30 years in a rapidly growing sector, this enterprise has built a large, dedicated customer base. It specializes in areas such as precision and general engineering, CNC Turning, CNC Milling, and more.

Business Highlights:

- Long-standing establishment
- Outstanding reputation
- Strong market barriers
- Decades of successful operation
- Robust operational systems
- Devoted clientele
- Skilled workforce

The business is well-equipped with valuable plant and machinery, efficient systems, and a competent team, representing a seamless opportunity for potential owners. High entry barriers protect against new competitors, ensuring a secure and advantageous market stance.

This outstanding business is perfect for an industry-experienced, ambitious owner-operator looking to elevate the company further. With steady revenue of around \$1.7 million and consistent year-on-year profits exceeding \$450,000, the potential for expansion is significant.

If you are ready to take control and make a significant impact in this field, contact us today.
