Residential Building Company - Established and Respected Brand, Auckland Location with Land Supply (CML 10668)

Profitable and well-established building company since the mid-90s and a well-respected NZ home building brand. With widely publicized growth in this popular part of Auckland, families, and groups from all walks and stages of life are moving into the area.

The company comes with access to sections in this growing Auckland region along with reliable subcontractors across all trades.

The shareholder who bought the business around 20 years back was an accountant with no building experience at the time.

Ever since then, and with the subsequent addition of a business partner in 2010, the business has proven to be a successful operator including through the GFC to the present day.

Considering The Following:

- PROFITABLE Building Business since the mid-90s
- ACCESS to reliable SUPPLY of subdivision land
- Residential Building Sector FAVOURED by Governmental policy settings
- SUCCESSFUL mix of Spec Homes and Design/Build for clients

Asking Price \$865,000 plus stock
