You're Not Going To Believe It, Sneaky Snacky Is For Sale!

4 years in the making, Sneaky Snacky is finally on the market!

Leaning into bold flavours and concepts, Sneaky Snacky is home to the Glazed Donut Burgers, which were awarded Auckland's Iconic Eats, 3 years running.

Award-winning food aside, this is a phenomenal business. Every aspect has been meticulously designed for efficiency and profitability. From producing their own products to investment in equipment and bulk making of sauces, all the way through to a newly implemented kiosk ordering system.

This is a slick operation!

The current owners work in the business but you can easily put a manager in place and reap the rewards of a managed investment.

You'll also have a couple of buying options to choose from.

1. The business is ready to be franchised, so you could buy the store, the IP and the lot. To take it from here and grow the business.
2. You can also choose to buy just this store and leave the current owners to franchise the brand.

Sneaky Snacky is built on great systems.

They produce phenomenal products, that create a ton of hype, every time they're mentioned.
