

Scaffolding Business for Sale Tauranga

High-Demand, Reputable & Profitable Business

Reputable, Profitable & Strategically Positioned in a High-Demand Sector

Outstanding Opportunity in Construction Access Solutions - Tauranga Based?

Established in 2013, this well-regarded business specializes in construction site safety, providing a comprehensive suite of premium scaffolding and safety solutions to the building and construction industries. Operating primarily in the Bay of Plenty and Waikato regions, the company has built a solid reputation as a trusted, leading provider with a strong history of profitability.

With a 2024 adjusted cash surplus (EBPITDA) of approximately \$800,000, the business demonstrates consistent financial performance and strong future maintainable earnings.

Key Highlights:

- * Established Track Record: 12 years of successful operations with a respected presence across the Bay of Plenty and Waikato regions.
- * Diverse Product & Service Offering: Provides essential construction safety equipment including scaffolding, shrink-wrap, fall arrest safety nets, and temporary fencing-supplied, installed, and maintained to rigorous industry standards.
- * Industry Leader: Recognized as a significant and reliable player in a critical, high-growth sector.
- * Loyal Customer Base: Strong relationships with regular repeat clients underpin ongoing revenue.
- * Skilled Workforce: Experienced and qualified team capable of overseeing day-to-day operations.
- * Growth Potential: Expansion opportunities available both geographically and through diversification of product and service offerings.
- * Robust Digital Presence: Established marketing systems and online visibility support continued growth.
- * Secure Lease: Stability provided through a favorable lease arrangement.

The company's dedication to quality, safety, and service excellence is reflected in its qualified staff, premium equipment, and compliance with stringent national standards. The current owner is committed to facilitating a smooth transition, further strengthening this investment opportunity.

This is an exceptional chance to acquire a market-leading business operating in a lucrative and essential sector. With a solid foundation and strong growth prospects, it is perfectly positioned for continued success under new ownership.
