Window Cleaning & Pest Control

Owner-operator - consistent earnings - flexible hours

Established pest control and window cleaning business with repeat commercial and residential clients, generating a consistent gross profit of \$100,000 for the owner-operator.

The business is geared towards the summer months and quieter winters, providing flexibility to enjoy the Central Lakes Lifestyle.

Superbly maintained modern equipment and 12 years of experience to share with the new owner and a generous handover period.

Take advantage of a growing local population, secure your own niche market and expand this business.
