

Lawn and Garden Services Franchise for Sale Christchurch

Established Lawn & Garden Business of the highest standards, offering an excellent lifestyle

After 15 successful years, this husband and wife team are ready to move into retirement. They have developed a solid client base of loyal and repeat business over the years, and enjoyed being able to work flexible hours that have suited their lifestyle, giving them time to pursue their other interests. With a lot of work being done by ride-on equipment, mowing opportunities like this do not come by very often. Stepping into this established business means earning above \$2,000 a week from day one, with plenty more work opportunities available, the potential for further growth is here
