

Commercial Flooring Installation Business for Sale Auckland

Well Established Commercial Flooring Company for Sale. Fully booked until April 2025 with pending contracts. Trained staff and ongoing support. Amazing potential for significant growth!

Firma Flooring is a well established and a successful commercial flooring company with a great reputation.

We are fully booked until April 2025 with pending contracts / offers to be signed for 2024 and early 2025.

We have exclusive contracts with the top names in the flooring industry and have been involved in the major and well- known projects around Auckland.

We are offering you:

* all our contracts (for the next 12 months) including the assets, vans, equipment and machinery and if needed, eight extremely hard working and friendly employees.

* the ongoing training of staff, support and guidance, exclusive and discounted prices on some products.

* Ongoing support - will continue to work with you for another 3 - 6 months to ensure smooth transition. No hidden cost involved.

It is a very safe investment and industry that was fully operational during the pandemic and has not been affected by Covid restrictions.

There is an amazing potential for significant growth and further development for a buyer who has access to human resources and is in a situation to provide labour. Unlimited job opportunities and more lucrative contracts to sign.

Evidence of income and taxes are available upon request from our accountants.
